CLASS PARKS
TEEN CLUB

CLASS Parks builds strong, resilient, responsible youth who have a healthy vision of the future.

TEEN CLUBS
Teen Clubs, located at each CLASS Parks site, provide safe, supervised after school and weekend enrichment, as well as educational, vocational, recreational, and adventure-based programs for youth 11 to 17 years of age.

FNET - FRIDAY NIGHT EXTREME TEENS
During the school year, CLASS Parks sites will implement extended program hours every Friday from 4:00pm to 9:00pm. Teens will have the opportunity to engage in intramural sports activities, dance, drama, cooking, games and crafts.

YEIP - YOUTH EMPLOYMENT INTERNSHIP PROGRAM
Three times a year YEIP starts a new track which provides youth with pragmatic life skills, valuable for facilitating a youth's transition into life after high school. The life skills instruction is complimented by distinct internship training courses in: 1) Camp Counselor Leadership Training, 2) Outdoor Education Leadership Training, 3) Crime Scene Investigation 'CSI' Leadership Training.

CORE VALUES
Compromise, Confidence, Honesty, Integrity, Perseverance, Respect, Responsibility, Resourcefulness, Safety, and Sportsmanship.
