PARK ADVISORY BOARD
Park Advisory Boards (PABs) and their members enhance the overall operation of a recreation facility. The Department of Recreation and Parks believes that the partnership between staff and the community is of primary importance in identifying and meeting the recreational needs of the community. A PAB works collectively with the Director to make recreation facilities clean and safe for public use, and offers assistance and ideas on programming and fundraising.

If you are interested in becoming a member of the Highland Park Recreation Center PAB Board, call (213) 847-4875.
