

Proof of Online Application 1:

Your application has been submitted. We appreciate your interest in volunteer opportunities at the Los Angeles Department of Recreation and Parks. If you have not done so, please visit the recreation center, museum, or other facility where you want to start volunteering to receive information you need about your next step, which is to get fingerprinted. Watch for an e-mail with more details.

We are excited to have you volunteering with us. Thank you for offering your services to the community.

Proof of Online Application 2:

Thank you for signing up to volunteer with the Los Angeles Department of Recreation and Parks. We are excited to have you get started volunteering!

If you have not already been to the recreation center, museum, or other facility where you want to start volunteering, please visit the staff there and pick up a New Volunteer Welcome Form that has fingerprinting information for you.

Your next step is to contact the Live Scan fingerprinting location that is most convenient to you and set up your appointment (see list below). When you go for your appointment, be sure to take your driver's license or identification and your Social Security card, your signed Welcome form from your recreation center or facility, as well as to show this message as proof of your submitted application. If you are under age 18, a parent or guardian must go with you. After you are fingerprinted, you will need to wait at two weeks, then you can contact the facility to see if you are cleared to start volunteering. You may also receive an e-mail or a call from them when you are cleared.

Welcome aboard!
