Please complete this form with the most recent and accurate information possible. This will help our staff with any extra information that may be pertinent to the care of your child. If there are any special needs your child may have due to diagnosed medical conditions (i.e. Autism, ADD, ADHD) we need to be made aware of them in order to assure proper care for your child. Some conditions may require a one-on-one provided by the family or state. Hoover Recreation Center does not provide one-on-one supervision; all activities are group activities. Should anything happen that would alter this health history information; please let us know immediately.

MANDATORY SIGN IN AND OUT OF PROGRAM BY PARENT OR LEGAL GUARDIAN

Parents please note: that there will be no sign in and out privileges to minor children. All children enrolled in the After School Program must be signed in and out by a parent, legal guardian or individual listed on registration form. Hoover Recreation Center will not release your child to any person whom is not listed on the Registration Form as an authorized pick up person, emergency contact, or parent. We do not accept phone calls from parents who want to add someone onto the authorization list. I understand that I must walk into the office and update the list in person. This is for the safety and protection of your child.

PARENT OR GUARDIAN INITIALS: ______

IDENTIFICATION REQUIRED FOR PICK UP

ALL persons picking up any child from the after school program will be required to show proper identification in order for the child to be released. This applies to any person picking up a child whether it be a parent, grandparent, aunt, uncle, family friend or any other authorized person, regardless of having picked up that child previously. This is due to the fact that there may be several different staff members throughout the year which may be in charge during sign-out periods, and the fact that it is impossible for staff members to be familiar with all persons authorized to pick up every child enrolled in the program. Please understand that this is for the safety of the child and will be enforced strictly by staff members.
