Do you have any special resources or talents that you would like to share?

Would you like to help promote the values of Recreation and Parks services in your community?

Do you want to strengthen our Park's recreation programs and services?

JOIN OUR PARK ADVISORY BOARD AND MAKE A DIFFERENCE!!!

A Park Advisory Board (PAB) consists of individuals, selected by Department of Recreation and Parks staff, who are community residents, business members, and those who work or spend time in the community they are chosen to represent as volunteer board members. The PAB works to make our facility safe, clean and hospitable while offering guidance and assistance on programming and fundraising. We believe that the partnership between staff and the community is of primary importance in identifying and meeting the recreational needs of the community.

- A Park Advisory Board member must be a community member and understand the community's needs and interests.
- A member should support park improvements and help establish goals for the park.
- A member should also assist with special events and fundraising for the park improvements.
- All PAB members are selected by the Recreation of Parks staff.
- All PAB meetings are open to the public and have allotted time for public comments.
