We will have a great time this summer. All the characters are colorful and a little crazy! The costumes are bright and creative and a little crazy, too. I hope you will join us. The "story" will make you laugh and...more importantly, it will make our audience laugh, too!

Not only will you have a wonderful time this summer, you will also learn many things like:

+ How to work hard for a common goal,
+ Acting, dancing and singing skills,
+ Teamwork,
+ Dependability, responsibility,
+ You will develop self-esteem and self-confidence

... you will feel

+ The fabulous, exciting, glorious joy of performing!!
(+AND MUCH, MUCH MORE!!!!!) to be a part of this exciting production!

A personal challenge: Whether a beginner or a seasoned performer, you will be challenged technically and artistically. You will see that with a little hard work, cooperation and responsibility wonderful things can happen.

Summer fun: Have a wonderful time laughing, learning, bonding with new (and old) friends and working to present a great show!
