This clinic is designed to introduce children to the game of Soccer. Each week's clinic will include warm-up exercises, stretches, and skill development. Team sports help children gain self confidence, improve focus and learn cooperation. Our goal is to have fun while building the fundamental skills for Soccer: dribbling, passing and shooting.

Please bring a water bottle to class for easy hydration.

Rates are subject to change and programs are subject to cancellation. If you are a person with a disability and require accommodation to participate in a City of Los Angeles Department of Recreation and Parks program, service, or activity, requests may be made by calling the facility (310.838.3838), or 711 for CA Relay, ten days in advance of the event. We will do our best to fulfill requests with less than ten business days' notice.

If a participant requires a one to one aide, requests will be fulfilled within seven business days of receiving required paperwork and documentation needed to issue a Right of Entry Permit to the agency providing the aide.
