NEW YOUTH SPORTS REGISTRATION POLICY

Starting with Winter 2026 Youth Sports League registration, patrons will be able to register their children in only **ONE league per sport, per season.**

A new rule in RecTrac will prevent patrons from enrolling at multiple locations, and it will display an error message explaining the policy if they attempt to do so.

We believe the new rule will help staff focus on effective program management. This will also ensure the integrity of our leagues are not jeopardized by player commitment issues.
