

Covid Plan Requirements – Must be submitted in writing

In regards to the Facility Use Permit Application, the Covid Plan is an attachment that the Permittee provides and is aligned to our Covid guidelines.

Covid Plan Example:

- 1). Participants will be temperature screened upon entry into the facility.
- 2). Vaccination status will be checked prior to entry into the facility/gym
- 3). Participants will be 3 feet socially distant from each other (while not in play)
- 4). Tables and Chairs will be sanitized before and after use
- 5). Equipment will be sanitized before and after use
- 6). Masks will be worn at all times inside the facility and during play.
- 7). Hydrating during game play must be done in the lobby away from other players
- 8). Permittee will adhere to maximum capacity signage indoors
