I. Welcome and Introductions
N/A

II. Approval of Minutes
Unanimous decision to summarize the minutes than have them written as a script.

III. Open/Public Comments/Conversation
Dog Agenda?
- No updates yet. It will be checked on.
  - SUGGESTIONS: to call animal services to come out during a certain time to site violators. New more noticeable and visible signs to make public aware that this is not an off-leash dog park– possibly A-Frame style. Possibly best to put set sign on lower park and at the entrance ramps to deter anyone from going down and letting dogs off-leash.

IV. WiFi Report - Vesh
A case was made at a city meeting, and their replied promptly that it will be done as soon as possible.
Paige needs to put in a CSR. Said we were quoted $500,000 in order to get WiFi. Julie inquired about the city’s tech budget?
V. Murder Mystery Report - Ronnie
He has spoken to three companies. One was too pricy, the other would send three actors for 2 hours for $3,00, and the one most likely to go with will send up to four actors for 3 hours for approximately $1,200.
Need an answer of how many people can attend event by December 5th.

VI. Rustic Night 2019 1920 Magic
A sample flyer has been made to get the ball rolling. The company Black Rabbit Rose will be the main entertainment of the evening. The date is set for September 21st, 2019. Save the dates will be sent out at the beginning of the year.
We need to get sponsors for the event to at least donate $5,000 or sponsor an item.

VII. Theatrical Draperies - Paige
As of right now, curtains look to be about $3,500 including material.

VIII. Project List 2019
Moved to next meeting.
*All Agreed*

IX. PAB Treasurer Report
We are still collecting donations. So far received $11,000.

SUGGESTIONS: have PAB members call those they know on the list to confirm pledge payment. Some haven’t heard anything via email, so best to try and call them.

X. Grove Update – David
The Community Clean Up held on October 20th & 21st went extremely well. The Eagle Scouts cleaned up weeds in the Grove and pool area, planted flowers, and they paid for the dumpster that they managed to fill all the way to the top.
This Sunday, on November 18th at 10am, they will continue to work on clean up, lay out DG, plant two climbing roses in the courtyard, plant historically accurate palms, place boulders, and any other planting they can do.
There are two dead trees. One by the entrance to the park and a coral tree.
There will be a delivery from Borge on Friday for the Sunday event.
Vesh- are we getting the sycamores out?
Dave- only replacing one this time around with a palm.

XI. **Anything Else for the Good of the Order/Comments**
Ronnie – Complemented the Fiesta of Fright, how amazing the event was, how smoothly everyone worked together, and how fun it was to be a part of it. Want to make sure we focus on doing more things to bring the community to the park.
Paige – It is also nice when the PAV comes out to help us get a new point of view like Ronnie did with his input for the Fiesta of Fright. Holiday Carnival?

XII. **Adjournment**
*All Agree*

Kathryne Garcia – Note Taker

Next Meeting Will Be January 15th, 2019 at 6:30pm.
