ABOUT US

Each counselor is committed to creating a warm, safe, and exciting environment where every camper can thrive. Our team communicates with care and listens with intention, always putting the needs and interests of the campers first.

With a focus on respect, empathy, and positive energy, our staff works hard to make each camper's experience not just memorable, but truly FUN. Many of our counselors were once campers themselves, and they bring their own unique experiences, talents, and passion to the program.
