## Dog Park Ad-Hoc Committee Application

Westwood Recreation Center is getting a new dog park! As chair of the Park Advisory Board I have been asked to form an ad-hoc committee to provide suggestions to the PAB and park director relating to the dog park during construction and operation.

Specifically, the ad-hoc committee will focus on dog park rules, regulations, signage, implementation, outreach, grand opening plans and suggestions for patron amenities as well as ongoing dog park operations. The ad-hoc committee will also coordinate with St. Paul on attractions for special needs dogs. The committee should not address dog park design as the design has been completed and will not be changed.

The committee will include an odd number of members with at least five but no more than nine members. An ad-hoc committee chair will be named to lead the committee. Committee meetings will be held at the park at a time convenient for the public. All meetings should have an agenda posted through the park director at least 72 hours prior to the meeting time.

The committee should report their progress to the PAB chair and Park Director at least one week before PAB meetings so that the findings can be properly addressed and agendaized for the next PAB meeting. If any funding is required for committee proposals, the PAB will either ask the committee to fundraise or will fundraise itself. No fundraising should be performed until the PAB and park director approve a project.

Prospective ad-hoc committee members should be supporters of the dog park, be dog owners and be focused on making the dog park the best it can be for the community and for our four-legged friends. Committee members will serve at the discretion of the PAB chair and park director.

Applications will be accepted until May 18, 2017 at which time committee members and committee chair will be selected. Please send your applications to [lizka.mendoza@lacity.org](mailto:lizka.mendoza@lacity.org).
