Please note that not all programs are offered through online registration and that online registration is limited to the first two weeks that registration is open (or until a program is full, which ever comes first). Walk-in registration is always welcome.

A. If you have previously registered for an activity at a park, then you have an account.
   Your username is your household number. Your password is your last name.
   If you do not know your household number, please call the center. You will be able to change your password after logging in.

B. If you have never registered for an activity, you do not have an account. Please click “to register for a new account” and follow the instructions

STEP ONE

Park Advisory Boards and their members are essential to the overall operation of a recreation facility. The Department of Recreation and Parks believes that the partnership between staff and the community is of primary importance in identifying and meeting the recreational needs of the community. A Park Advisory Board works to make facilities safe, clean, and hospitable while offering guidance and assistance on programming and fundraising.

- We are looking for people to serve on or Park Advisory Board

- For additional information please call the park director at (818) 756-7876

A Park Advisory Board member must be a community stakeholder and understand the community’s needs and interests. A member should support park improvements and help establish goals for the park. A member should also assist with special events and fundraising for park improvements. All PAB members are selected by the Department of Recreation and Parks staff.
