## TENNIS LESSON SKILL LEVELS

**Little Rackets:** Little Rackets Tennis is designed to introduce young children to the game of tennis. We'll focus on basic strokes, developing hand-eye coordination and having fun.

**Racketeers I:** This player has minimal or no knowledge of tennis. We recommend this class where this is the first experience with tennis. Basic forehand, backhand, volley, and serve will be taught.

**Racketeers II:** Must have successfully completed the Racketeers I session of tennis or have taken beginning classes before. This class will build on basic strokes, volleys, serves, and work towards developing game play. Tennis terms and score keeping are taught.

**Ralliers:** Working knowledge of forehand, backhand, volleys, and understanding of the serve. Players will have more interactive play and learn the concept of match play.

**High Bouncers:** Player is fairly consistent when hitting medium paced ground strokes, volleys and serves, but is still uncomfortable with a variety of shots. This class will teach warm-up exercises, drills, strategy, practice serves and game play.

**High Bouncers II:** Players are now able to keep a rally going with fellow students. Players are also learning and playing singles and being introduced to the game of doubles.

**Match Play:** This class is for the player that has completed the Ralliers session of tennis or has an intermediate skill set. The player will learn all rules of Match Play and be introduced to single tactics and basic double rules.

- Parents/guardians may not sit on courts during youth lessons.
