Registration for 2019 / 2020 school year will begin on **August 12, 2019** walk-in and online

This class is designed to enhance children’s confidence and build their social and cognitive skills. Children build on their pre-writing, pre-reading, and pre-math skills through art, crafts, music and movement, group time and learning experiences. Independence is fine-tuned as children become more self-reliant and are able to "do it themselves".

**Must be potty-trained. No exceptions**

Please bring lunch and a water bottle each day unless otherwise noted. Inform instructor of any food intolerance.

Price: $325.00/ month

For an additional day of preschool add **Kids in Action**
