"Participation in fitness classes involves varying degrees of accidental injury risks. The City of Los Angeles Department of Recreation and Parks (RAP) is not responsible for any injury to any person suffered while warming up or participating in exercise and fitness classes for any reason whatsoever. Each adult participant certifies upon registration that he/she is physically capable of participating in a class. Parents and/or legal guardians are solely responsible for ensuring participants who are their legal minors are physically capable of participating in a class. RAP recommends that every participant speak with a physician and receive a physical prior to participating in any exercise and fitness class."
